

GUIDANT

# FUEL-FACS<sup>+</sup> DET

## Terminal Automation System Driver Entry Terminal (DET)

When it comes to the equipment at your terminal, quality and reliability is paramount. The FUEL-FACS<sup>+</sup> DET is no exception. DETs take a beating from both the elements and drivers. Built on the field-proven and reliable AccuLoad<sup>®</sup> IV platform, the FUEL-FACS<sup>+</sup> DET delivers superior dependability. The rugged, weatherproof enclosure can be installed anywhere drivers and terminal personnel need to interact with FUEL-FACS<sup>+</sup>.

## Applications

- Entry and exit gates
- Staging areas
- Loading bays
- Weighbridges
- Bill of lading (BOL) stations

## Benefits

- Fully integrated with FUEL-FACS<sup>+</sup> Facility Business System (FBS)
- Intuitive 8.4" touchscreen interface with light emitting diode (LED) backlight
- Class I, Division 2, and Ex d rated models
- Integrated card reader and cardless options
- Comprehensive support

### ERP Integration

- Pricing and invoicing
- Marketing, contracts, and order entry
- Tariffs, duties, and permits

### Facility Control

- Full-color graphics
- Control logic
- Inputs and outputs

# One source for all your terminal needs

### TAS Business/Host Systems

- Transaction processing
- Data collection
- Data normalization and reporting

### Equipment

- Metering and weighing
- Tank gauging
- Driver interfaces
- Meters
- Pumps
- Valves
- Loading arms

## About Guidant

As the undisputed leader in liquid and gas custody transfer solutions with the largest global install base, Guidant's legacy is built on more than 90 years of expertise, accuracy, reliability, and best-in-class technologies. We are a private company focused on the measurement solutions business, serving emerging and established energy markets across the globe.
